

EASPLS 22 - University of Bordeaux

	05/09/2022	06/09/2022	07/09/2022	08/09/2022	09/09/2022
	Monday	Tuesday	Wednesday	Thursday	Friday
9:30-10:30	Registration	Input session 1: Isabella Sarto-Jackson - "Complexity and the tyranny of scales"	Input session 3: Fridolin Gross - "Complex systems are not complex"	Input session 5: Sabina Leonelli - "Handling biological, social and scientific complexity: Reflections on crop science"	Invited lecture: Federica Russo - "How is Who: Evidence as Clues for Action in Participatory Research"
10:30-11:00		<i>Break</i>	<i>Break</i>	<i>Break</i>	<i>Break</i>
11:00-12:00		Group work	Input session 4: Thomas Reydon - "How does evolutionary history explain complexity?"	Input session 6: Marcel Weber - "Idealization in experimental biology: The case of morphogens"	Group presentations (everyone)
12:00-14:00	<i>Lunch</i>	<i>Lunch</i>	<i>Lunch</i>	<i>Lunch</i>	Award Poster Prize Conference ends (no lunch scheduled)
14:00-15:30	Welcome + Introduction + Intro to mini projects, meet group members	Group work	Group work - receive objections, revise	Group presentations (everyone)	
15:30-16:00	Group work + <i>short break</i>	<i>Break</i>	<i>Break</i>	<i>Break</i>	
16:00-17:00		Input session 2: John Dupré - "Why (naturalistic) metaphysics matters for science"	Poster session with flash presentations 1	Poster session with flash presentations 2	
17:00-18:00	Invited lecture: Sara Green - "Experimental Models of Human Disease"	Interdisciplinary development 1: Maël Lemoine & Thomas Pradeu - PinS and its Discontents	Scientific Lecture: Iñaki Ruiz-Trillo (Zoom) - Evolution of Complexity	Interdisciplinary development 2: Philippe Huneman (evolution & economy) & Jon Umerez (biological organization)	
Free time					
19:00/19:30 ...	Opening Mixer at 4 Coins du Vin, meeting everyone	Dinner w/ everyone at Café du Port (60 people)		Organizers' dinner
